SUMMARY

B.Tech Computer Science graduate specializing in Big Data Analytics & Data Science. Experienced in building full-stack web applications using Java, Spring Boot, Python, and Django. AWS Certified Cloud Practitioner and Red Hat Certified Enterprise Application Developer. Proven ability to lead teams, optimize backend systems, and deliver production-ready solutions. Seeking Software Development Engineer (SDE) opportunities.

EDUCATION

•Bachelor of Technology in Computer Science and Engineering (Data Science)

2022 – 2026

KL Deemed to be University, Vijayawada

CGPA: 9.7

PROJECTS

•ONE CAUSE – Online Donation Management System

July 2025 – Nov 2025

Java Full Stack | Spring Boot, JSP, MySQL, AWS EC2

GitHub

- Led a 4-member team to architect and deploy a full-stack donation platform on AWS EC2.
- Developed Spring Boot REST APIs and optimized MySQL queries, reducing manual donation processing time by **35%**.
- Integrated Power BI dashboards for real-time donation analytics and reporting.
- Implemented secure role-based authentication for donors and administrators.

•Student Course Management System

Dec 2023 – Apr 2024

Python Full Stack | Django, PostgreSQL

GitHub

- Built a secure role-based web application to manage student records.
- Automated course registration, attendance tracking, and grading workflows.
- Designed a normalized PostgreSQL database schema and optimized queries for efficient data handling.

TECHNICAL SKILLS

Languages: Java, Python, C, SQL

Backend: Spring Boot, Django, REST APIs, Microservices

Frontend: HTML, CSS, JSP

Databases: MySQL, PostgreSQL

Tools & Cloud: Git, GitHub, AWS, VS Code, Power BI, Tableau

Core Concepts: OOP, DBMS, System Design

Soft Skills: Problem Solving, Self-learning, Teamwork, Adaptability

CERTIFICATIONS

•AWS Certified Cloud Practitioner – Amazon Web Services (2024)

•Red Hat Certified Enterprise Application Developer – Red Hat (2024)

ACHIEVEMENTS

•Participated in Smart India Hackathon (SIH) 2024 and collaborated in a team to develop an innovative technology solution within a 36-hour national-level hackathon.

ADDITIONAL INFORMATION

•Languages: English, Telugu

•Interests: Tech Blogging, Open-Source Contributions
